W.P.(C). NO. 29930 OF 2007

ORDER

The only additional request that the petitioner now makes is for a direction to the respondents to consider Exts.P6 and P7. The request now sought for is not objectionable. Therefore, I dispose of the review petition directing the respondents 1 and 2 to consider Exts.P6 and P7. If these representations have been reviewed and are pending, I clarify that this direction is issued without in any way disturbing the directions for payment that are incorporated in the judgment. Needless to say that if in terms of the judgment any payment made is found to be ultimately in excess of the amounts that are actually due, necessary adjustments will be made.

The review petition is disposed of accordingly.

ANTONY DOMINIC, JUDGE.
